Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing  
 34 references to be considered by the Examiner.

Reference numbers 6-34 identify several co-pending applications assigned to the assignee  
 of this application. Applicant directs the Examiner to these applications to consider whether the  
 subject matter claimed, now or as may be amended in the future, as well as the associated  
 prosecution history, now or in the future, may be relevant to the patentability of the present  
 application (e.g., for reasons of obviousness-type double patenting). Applicant believes that the  
 Examiner has access to the applications and associated file histories through the Patent Office  
 (e.g., the IFW system). Accordingly, Applicant has not provided copies of these applications or  
 their associated file histories, but would be happy to do so, now or in the future, should the  
 Examiner so request. Copies of the references are not submitted pursuant to 37 C.F.R. § 1.98(d).

This Information Disclosure Statement is being filed before the mailing date of a final  
 action and before the mailing of a Notice of Allowance. This Statement is accompanied by the  
 fees set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any  
 additional fees which may be required or to credit any overpayment to Account No. 11-1410.
